As educators and employees in our Sydney Catholic schools, we put students at the centre of everything we do. We place the person of Jesus Christ at the heart of what and how we teach, and we do this in an environment that is pastoral, nurturing and encouraging.

Not all children living in Sydney have the opportunity to receive the wonderful gift, of Catholic education. This may be due to their family's circumstance, including financial or the communities they come from.

Our bursary program exists to assist families in providing a Catholic education. Such an opportunity allows students to learn and grow academically, socially, emotionally and spiritually; gifts that may not always be available to them in their home lives or social communities.

From the Heart Giving Contribution Form

Catholic Education Foundation *Opportunities for all*

The Catholic Education Foundation

The Catholic Education Foundation (CEF) is the not-for-profit charity of Sydney Catholic Schools. The Foundation offers support to families via its bursary program. Corporate partnerships, community grants, an annual fundraising events program, and donations all play a pivotal role in raising much needed funds to continue to sustain our various programs.

Who does the Catholic Education Foundation help?

The Catholic Education Foundation provides assistance to families who are otherwise not able to afford to send their child to a Catholic school. This may be due to their financial circumstances, a single parent, or a care-giver who has responsibility for a child. We also offer bursaries to refugee families and students that identify as Aboriginal or Torres Strait Islander.

Our Vision

The vision of the Catholic Education Foundation is that every child has access to an education in a Sydney Catholic school and that no child is denied this opportunity due to genuine hardship.

Our Mission

The mission of the Catholic Education Foundation is to continue to raise sufficient funds to sustain our various programs that support families in accessing a Catholic education and support for their children in a Sydney Catholic school.
