THE CATHOLIC EDUCATION FOUNDATION

For the past decade, the Catholic Education Foundation, a proud initiative of Sydney Catholic Schools, has been dedicated to ensuring that every child has access to a quality Catholic education, regardless of financial circumstances. Through our bursary program, we provide essential school fee support to families who seek a Catholic education but may struggle with the cost.

For over 200 years, Catholic schools in Sydney have provided students with exceptional educational experiences. With a strong tradition of academic excellence and faith-based learning, we remain committed to expanding opportunities for as many children as possible to benefit from a Catholic education.

OUR MISSION

At the Catholic Education Foundation, we believe that no child should be denied a Catholic education due to financial, social, or cultural hardship. Our mission is to open doors for students, ensuring they receive a high-quality education rooted in faith, values, and community.

Through our student bursary program, we provide vital school fee assistance to families facing genuine challenges, helping children thrive in a supportive and inspiring learning environment.
